

St. James' Parish

Vestry Highlights

April 20, 2026

- Bishop Carrie will be visiting St. James' on August 23. She will meet with the Vestry following the church service. There will be a combined service on that day.
- Father Joe will be conducting a Newcomers Class during the summer months, following the 10:00 service. This class is also intended for those who are seeking to be received into the Episcopal Church, or might be considering reaffirmation.
- The Vestry voted to approve an expenditure of up to \$1,000 to hire two providers to oversee a Summer Nursery for our younger children. The Nursery will be available two times per month during the summer. It is the desire of the Vestry to provide parents an opportunity to continue worshiping during the summer months.
